SOCIAL MEDIA GUIDE

We want to connect with you on Social Media! Please remember to tag and mention us on your company and individual social media pages. You can even send us photos or comments from your campaign and we will share them on our social media pages and newsletters. Highlighted opportunities to share include your campaign events, campaign successes and volunteering with United Way. We are stronger together and our reach can go further by linking up! Our social media has a reach of over 1,075+ Facebook and over 640 Instagram followers. Our monthly digital newsletter has 2,700+ contacts as well! If you have not done so already, be sure to follow our social media accounts!
