

UNITED WAY OF CLALLAM COUNTY REPORT TO THE COMMUNITY TOGETHER, WE CAN

OUR WORLD LOOKS DIFFERENT than anyone imagined it would a few years ago. COVID is still impacting our daily lives, we are all feeling the impact of inflation and it is no exaggeration to say that the most vulnerable – especially those who were barely getting by before – are struggling more than ever. That's why United Way of Clallam County goes beyond responding to immediate needs. We are helping everyone to recover and rebuild by focusing on supporting programs in **Education** that promote academic achievement, advancing **Economic Mobility** by helping everyone attain greater financial stability, and promoting good **Health** across all of Clallam County.

TOGETHER, WE CAN build strong communities where everyone can thrive. We help people invest in local solutions, bringing people together – through giving, advocating, and volunteering to make life better for our neighbors. Here's what we're tackling right now: **Safe and Stable Housing** - helping families and individuals achieve permanent and self-sufficient living situations, **Employment** - encouraging lifelong learning to ensure a strong workforce, **Strong and Secure Families** - ensuring all families are healthy and supported from the start.

WE ARE COUNTING ON THE THING THAT CONNECTS US in Clallam County: a deep belief that people want to help each other, and an understanding that together we can build a stronger community and a better future for our children. Last year was a great example of how we can come together to build success.

WE STARTED OUR COMMUNITY IMPACT PROGRAM which aims to provide funding to those who need it most. Our Resilience Project continued to teach community members about best practices around trauma-informed care, our campaign team surpassed their goal and raised over 1.4 million dollars to put back into the community, and we launched an affinity group called Women United; a safe space for all women to uplift and support one another.

AND WHILE OUR WORLD KEEPS CHANGING, our ability to make a difference remains constant. Together, we can take action that will help create better lives for so many of our neighbors in need. We need your help surpassing last year's fundraising efforts to improve the communities in which all of us live and work. We're counting on generous people like you to help improve the lives of people in our community. By pledging your support, you can make a difference. The best part? The money you give stays here in this community, and you will be able to see the results in our own backyard. Join us in this movement by going online to unitedwayclallam.org, mailing a check or calling 360-457-3011. Together, we can build a stronger community, and a better future for our children. **Together, we can LIVE UNITED.** Join us today.

EVENTS WITH YOUR HELP, WE RAISED \$53,340 FROM EVENTS A 479% GROWTH IN EVENT REVENUE OVER 2020!

GALENTINE'S DAY

We were overwhelmed by the support for our women-focused Galentine's Day event. Over 40 woman-owned businesses participated and together we raised more than \$20,000 for women impacted by domestic or sexual assault, food insecurity, lack of childcare, housing issues and more in Clallam County.

UNITED WE HIKE

Our annual hike-a-thon invited members to get outside with their family, friends or pups, and share their hikes in the Hike United Facebook group. Each week, one lucky hiker won a prize filled with gifts from local businesses. Getting active and doing good at the same time? Count us in!

CELEBRATE UNITED

We decided to go big with our annual campaign kickoff event. The Champagne Brunch at 7 Cedars featured gourmet cupcakes from That Takes the Cake, beautifully crafted swag bags full of high end local goods, and special guest speaker Greg Bennick: a worldwide public presenter, TEDx Speaker and philanthropist devoted to transforming the world by inspiring personal and social change.

WOMEN UNITED

We harnessed the empowering energy from our Galentine's Day event and created a Women's United Affinity Group. This is a place where women can come together, build skills, raise each other up, channel the power of collaboration and have fun. New members can register at our website and they will be sent an invitation to join the private Facebook group.

LEADING THE CHARGE . INSPIRING THE CHANGE .

COMMUNITY IMPACT

United Way of Clallam County has launched its Community Impact Program which will focus on Impact Funding and Diversity, Equity, and Inclusion. The program will partner and support Clallam County's nonprofit human service agencies to advance our strategic focus and address critical community needs. As we lean into our role as a community leader, we will use this program and our vision for equity to lead us through a journey that is both inward facing and outward focused. We envision living in a place where everyone is equitably supported socially, economically, and in their physical and mental health.

CLALLAM RESILIENCE PROJECT

The Clallam Resilience Project is a consortium of over 50 organizations working together to foster resiliency for our residents, organizations, community, and systems. Using research from the NEAR* sciences, we provide opportunities to connect, learn, and educate on how and why to apply trauma sensitive care county wide. *NEAR sciences are: Neuroscience, Epigenetics, Adverse Childhood Experiences (ACEs), and Resiliency.

DOLLY PARTON'S IMAGINATION LIBRARY

Dolly Parton's Imagination Library provides one book per month to children from birth until they turn 5-years old. Individuals can sponsor a child for only \$25 per year. As of July 2022, over 1082 families in Clallam County have been enrolled in the program.
