## **FREQUENTLY ASKED QUESTIONS**

- Can I count hours from club or ASB meetings?
  - If you participate in a school club, you may count any hours that are spent organizing and implementing a service project. If you are in a club that uses meeting times to discuss other club business, you may not count those hours. Events such as district conventions or leadership workshops will not be counted.
- I have to complete community service hours for a class or so that I can graduate, can I count these hours towards my Varsity Letter?
  - Yes, any community service or volunteer hours done to meet a graduation or class requirement can be counted towards your Varsity Letter in Community Service.
- What are some of the other guidelines for qualifying service for the Varsity Letter Program?
  - Hours performed for school sanctioned activities that are a requirement or expectation of a class may be counted toward the Varsity Letter Award. Time spent in activities that qualify toward another school Varsity letter may not be applied toward the Varsity Letter in Community Service.
  - Work performed in a for-profit business or organization does not qualify, though there are few occasions when it will be accepted. Any work done for a for-profit business or organization must be pre-approved through the United Way of Clallam County office, before the work is started, if it is to be counted toward the Varsity Letter. Failure to pre-approve this time will automatically disqualify it for this award.
  - Competitions do not qualify for volunteer service for this award.
